Thanks to you,
7,500+ local
children gained
a brighter future
last year.

United Way is changing local lives.
YOU CAN HELP.

What does home mean to you?

For most of us, home means a roof over our heads and so much more. At its heart, home is a place where we feel protected and loved.

But what if that wasn't the case? What if:

- you came home after school feeling left out because you're not able to participate in activities your family can't afford?
- there's no one there to talk to because your mom is at one of her three part-time jobs and your dad is sick?
- the phone rings and it's a bill collector? Again.

Thousands of kids across Simcoe Muskoka struggle without the supports for a healthy childhood or to build a successful future.

**For every child we help,
many more are slipping
through the cracks.**

**Please give now to help more of our young people
access life-changing opportunities.**
