Cell: 705-627-7072

"The Canadian Labour Congress has a long and proud history working with the UWC (United Way Canada) Movement to build strong, resilient communities. As the UWC Movement continues its focus on community impact through identifying and addressing the root causes of social problems, as well as building on its commitment to strengthening its role in public policy, I look forward to deepening our partnership and work together."

Hassan Yussuff, President, Canadian Labour Congress
Endorsement for United Way Canada's Campaign 2018
