

About Safer Spaces

Safer Spaces is a capacity-building program that offers organizational assessments, professional development workshops, and consultation services to create more inclusive services and workplaces for 2S-LGBTQ+ communities.

How can you access training?

1. A trained facilitator will deliver workshops for your team either in person or online. Perfect for in-house training and a shared learning experience.
2. Access our online training portal and go at your own pace. Designed for flexible schedules and self-guided learners.

Workshop Outcomes

Making your Job Easier:

- Experience new perspectives and understandings through critical consideration of language, practices, and history
- Identify strategies towards greater inclusion to implement moving forward
- Reflect and challenge the roots of our own biases

Creating Awareness:

- Reflect on the shared human experiences of sex, gender, expression, and orientation
- Understand the ways in which 2S-LGBTQ+ communities are disproportionately impacted by violence, poverty, and health inequities
- Explore barriers 2S-LGBTQ+ communities might experience to accessing your organization and services

Workshop Topics:

- Why inclusion matters
- Concepts, Language, and Pronouns
- History and Human Rights
- Local Statistics/Experiences
- Trans Experiences
- Organizational Barriers
- Group Activities and Discussions
